

Details and Requirements for Petitioning to Add a Candidate Name to the APTA Washington Ballot After the Ballot Closes on August 1

The APTA Washington ballot closes on August 1. An APTA chapter member may petition to add names to the ballot by submitting a petition signed by 10 current chapter members to the APTA Washington executive director by September 1. A separate petition shall be required for each such nomination.

Each petition must be accompanied by the written consent of the person being nominated. The nominee must be a current member of APTA Washington and must meet all criteria for the position for which they have been nominated. Eligibility criteria may be found in the APTA Washington bylaws. Those submitting nominations must also be current APTA Washington members.

This option to petition to add names to the ballot provides an additional opportunity for chapter members to have a voice when electing chapter leaders.
